NATIONAL EARTH SCIENCE MUSEUM

GEOLOGICAL SURVEY OF NAMIBIA | MINISTRY OF MINES AND ENERGY

THE THREE TYPES OF ROCKS AND DEBATING HOW MINING BENEFITS NAMBIANS

A book on rocks called "As Hard as a Rock" will be read to grade 4 primary school pupils so that they can learn about the three main types of rocks found on Earth. The participating primary schools will receive copies of this booklet for their libraries and class teachers.

A debate will be held for high school pupils at the National Earth Science Museum at the Ministry of Mines and Energy on "how mining in Namibia can benefit Namibians". Towards the end of the debate, the overall winning high school will be chosen.
